REVELATION

WELCOME TO AN EXCLUSIVE
WINE ADVENTURE.

Winexpert™ brings true passion and winemaking expertise to guide you on an exciting and rewarding adventure crafting your very own small lot wine. As passionate winemakers committed to exploration and the pursuit of excellence, we are excited to bring you this craft winemaking Revelation — a carefully curated and skillfully crafted wine kit offering an elevated wine experience to enlighten the senses. This is wine of the highest caliber, using only the best ingredients, available only in very limited quantities, or ‘small lots’.

With this level of excellence and exclusivity, you’ll love your wine. Guaranteed.™

Born from a bold vision to surpass even our finest wines, Revelation is a super premium, small-lot Napa Valley Cabernet Sauvignon crafted with uncompromising quality. Launched in 2021, this annual October release redefines craft winemaking with a unique 10 L format yielding just 11.5 L of finished wine - delivering exceptional richness and structure without the use of grape skins. Combining innovative techniques, exclusive oak formats, and celebrating a revered varietal from a prestigious region, Revelation continues to evolve each year as a singular expression of innovation, rarity, and excellence.

SMALL BATCH. BIG POTENTIAL.

8 WEEKS | 10L | MAKES 11.5L

Winexpert Revelation is a 10L craft wine kit that makes 11.5L of finished wine (approx 15 bottles) - a smaller batch designed to maximize premium juice character.

The result is bold, structured, and cellar-worthy.

NO GRAPE SKINS. NO COMPROMISE.

Revelation achieves exceptional structure, depth, and complexity without the use of grape skins. A precision-crafted base of premium Napa Cabernet juice works in harmony with select oak, delivering a wine of remarkable quality and character, and a level of excellence that redefines expectations.

INNOVATIVE OAK. NEXT-LEVEL EXTRACTION.

Unique oak spheres are added Day 1 and transferred to the carboy allowing for fuller extraction, deeper flavour integration, and elevated structure.

TARGET CONSUMER

This isn't a wine for the casual crowd.

Revelation is for the collectors, the bold red lovers, the ones who know exactly what they like and won't settle for anything less. It's for those who understand the power of a Napa Cab and recognize how rare it is to find this kind of caliber at this kind of price.

This will be a targeted sell to your high-end winemakers and consumers.

EXCELLENT VALUE

Bottles of Napa Valley Cabernet Sauvignon typically range from \$40-\$50, with higher end wines selling for \$100+ per bottle.

At the equivalent of around \$15 per bottle (made on premise), Revelation offers consumers a high end Napa Valley Cab Sauv at excellent value.

EXCLUSIVE. ELUSIVE. EXCEPTIONAL.

With limited production and high demand, Revelation is available on a first come, first-served basis.

COOMBSVILLE, NAPA VALLEY

We chose Napa Valley for a reason - it is the crown jewel of California winemaking and a true titan of Cabernet Sauvignon. With an ideal climate and rich soils, the lush valley offers near perfect growing conditions, and is indisputably one of the best places for Cabernet Sauvignon. The tiny region offers a rich selection of iconic and trophy wines that are highly sought after by collectors and consumers.

Located in the southeastern corner of Napa Valley, Coombsville is a rising star in premium Cabernet Sauvignon production. Designated as an official AVA in 2011, Coombsville is distinguished by its cooler, marine-influenced climate, thanks to its proximity to San Pablo Bay. Frequent fog and coastal breezes slow the ripening process, allowing for longer hang time and optimal phenolic ripeness.

This extended growing season leads to smaller berries with greater flavour concentration, resulting in Cabernet Sauvignon that is rich, polished, and deeply expressive, with soft yet structured tannins. The region's unique mix of volcanic ash and river rock soils adds layers of minerality and earthiness, giving Coombsville wines their signature depth and complexity.

Often described as the future of Napa Cabernet, Coombsville produces wines that balance power with elegance, offering black fruit intensity, vibrant acidity, and a refined mouthfeel - a combination highly sought after by collectors and connoisseurs alike.

2025 TASTING NOTES

Aromas of ripe black currant and blackberry are layered with notes of dried herb, and a touch of cedar. On the palate, bold black fruit flavours are supported by rich tones of dark chocolate and vanilla, with an undercurrent of earthy minerality adding depth. Full bodied and structured with supple, ripe tannins, this wine delivers a long, powerful finish that captures the elegance of Coombsville.

FOOD PAIRINGS

Big and bold with loads of dark fruit flavours, this is best matched with equally big, rich flavours, or foods high in fat and umami flavours. Try marinated ribeye steak, angus burger, mushroom pizza, braised beef short ribs, or lamb. For charcuterie, feature cheeses like gouda, aged cheddar, or gorgonzola.
